

LOCKER CLEAN OUT

BEGINS MONDAY JUNE 10, 2019

In order to allow for summer cleaning and maintenance of lockers, all students are to vacate them by the first Monday following the College's Convocation ceremonies in June.

Contents will only be held for 14 days after removal.

After 14 days the contents will become the property of Loyalist College and disposed of as it sees fit.

Any contents left in the locker will be considered abandoned and will be discarded without further communication to the student.

Belongings removed from lockers during the annual cleanout can only be released to the registered occupier of the locker.

ARE YOU A SPRING/SUMMER STUDENT USING A LOCKER?

Please do the following to ensure your lock doesn't get cut:

Register your locker at the Fitness Centre (1H5) with your Name, Student #, the floor & wing the locker is located, and the Locker #

NOTE: If you are returning to studies in September, you will need to re-register online through myLoyalist at that time
