AccessAbility Policy

- Students with documented permanent disabilities who are registered with the AccessAbility Services or verified through the Financial Aid Office (OSAP) are considered full-time students when they are registered in 40% of a full course load. Loyalist College's registration process only assesses these students with part-time post-secondary day Student Ancillary Fees. Students with documented permanent disabilities must complete the [Students with Documented Permanent Disabilities Ancillary Fees Form](#) to demonstrate their understanding of the two options available:
 - Self-declare if they want to pay the same ancillary fees as full time post-secondary day students as an option to receive the same benefits as full time students to use the Student Health Plan (including Prescription Drug Plan and Accident Insurance).
 - Exercise their right not to pay all fees and understand that they will not be entitled to specific services provided by Student Government and Loyalist College.
- [View the opt-in to the full-time ancillary fees deadlines.](#)

Additional Information

- Ancillary Fees related to programs that are less than or greater than two semesters will be adjusted accordingly. Fees are subject to change.
- All Ancillary Fees are mandatory, and there are no opt-outs.
- Full-time students who drop to part-time status must complete the [Course Add/Drop Form](#) to demonstrate their understanding that they are no longer eligible to use the Student Health Plan (including Prescription Drug Plan and Accident Insurance).
- To qualify as a full-time student, your course load must represent at least 70% of the billable hours of the courses required for the semester of the program in which you are enrolled. See the [Program Maps](#) page for an overview of your program's scheduled courses.
- Ancillary Fees will be rounded to the nearest decimal point.

Withdrawal and Refund Process

Domestic Students

- Domestic students who officially withdraw up to and including the first ten (10) days of scheduled classes of a semester are entitled to receive a refund of tuition and ancillary fees for that semester less a \$150 administrative charge. The College will refund in full any tuition paid in advance for second and subsequent semesters. Failure to attend does not constitute a withdrawal. Students must inform the Registrar's Office, in writing, that they are withdrawing. Withdrawal forms are available from the Student Success Mentors.
- After 10 days of scheduled classes, colleges are required to refund only tuition and ancillary fees paid in advance for subsequent semesters.
- It is the responsibility of the student to complete the official withdrawal process and/or to apply for fee refunds. Application for a fee refund should be made to the Registrar's Office. Overpayments are not automatically refunded. Withdrawal forms are available from the Student Success Mentors.
- Fee refunds are issued directly to the student.
